All student parking is prepaid non-reserved parking and will be distributed by grade level, starting with seniors and juniors. It is the expectation that drivers be courteous, honest, and respectful and have a positive response toward parking policies, regulations and requests.

All students are expected to obey traffic rules, laws, and traffic signs and drive safely while on school grounds or adjacent property. Failure to do so will result in parking privileges being rescinded. If parking privileges are taken away for any reason, the parking fee will not be refunded.
